

The Lasalle Avenue Project

Volume 22 09.05.14

Lasalle Avenue from 8th Street to Grant Street

CONSTRUCTION FOR THE WEEK OF SEPTEMBER 8 - 12.

-  CenturyLink will be installing new duct line on Lasalle Avenue between 10th and 12th Streets. Lane closures on the east side of Lasalle Avenue. Two-way traffic will be maintained on the west side of Lasalle Avenue.
-  NRG will be performing vault repair work at a mid-block location between 8th and 9th Streets. Lane closures on the west side of Lasalle Avenue.
-  Xcel Energy will be working on manhole repair and new duct line on Lasalle Avenue from 10th to 10½ Streets. Lane closures on the west side of Lasalle Avenue and on the south side of 10th Street.
-  The City Water Department will be performing work on the northwest corner of the intersection of 11th Street and Lasalle Avenue on the weekend of September 6 - 8th.
-  Xcel Energy will be working on a vault repair on the north side of 11th Street between Lasalle Avenue and Nicollet Mall. Lane closures on the north side of 11th Street.
-  Xcel Energy will be completing their crossing of 10th Street on the weekend of September 13 - 14th. There will be a total closure of 10th Street from 7 p.m. Friday, September 12 to 5 a.m. Monday, September 15th. See the attached detour map for details.

-  Mill and Overlay (2014)
-  Paving Reconstruction (2015)

Underground utility work continues to proceed at various locations as shown on the attached diagram.

In some locations the work is intermittent and not all protected areas will have work activity every day.

We will provide weekly updates of project activity each Friday with more specific information as plans are completed.

We thank you for your patience and cooperation.
